RULES OF THE GAME

- All Boarding and Day Care is by **reservation only**. In order to hold a reservation a current credit card must be on file with us. Make your reservations as far in advance as possible. Holidays book up months in advance and weekends fill up weeks in advance, so PLEASE...PLAN AHEAD! Day Care usually books up about a week in advance.
- All dogs over the age of six months must be **spayed or neutered**.
- All dogs must have current vaccination records on file with us. This includes **Rabies within 3yrs, DHLPP and Bordetella (to prevent Kennel Cough) annually**. Have your vet fax the records directly to us prior to boarding. Our fax number is (512) 252-3102. If your dog is under doctor's orders not to be re-vaccinated, please supply a note from your vet. Follow your veterinarian's recommendation(s) for vaccination; they may differ from our requirements.
- During the warmer months all dogs are required to be on **flea prevention** such as Program, Sentinel, Frontline, Advantage, or Revolution. Tick prevention is highly recommended.
- All dogs must have on a nylon or leather collar with a nametag and a current rabies tag already attached. **No choke chains, shock collars, or pinch collars are allowed** in the kennel as they present a hazard to dogs while in playgroup (and we don't like them). If you have one of these, please talk to us about an alternative. Harnesses get caught on fences, and dogs like to use them as "handles", so please take them off on arrival.
- We are happy to give **medication** to your dog at no extra charge. All medication must come in a clearly marked container (preferably the original container-**NO BAGGIES PLEASE**). With the following information directly on the container:
 - Dog's Name
 - Name of Medication and strength
 - Dosage per day or if needed (let us know at drop off what doses have already been given that day)
- No dog is allowed to leave Dogboy's in the **back of a pick-up truck** unless in a securely tied-down crate.

BOARDING DOGS:

- We feed **California Natural Lamb & Rice**. If you wish to bring your dog's own food, you may do so at no extra charge.
- **Label everything** you bring for your dog with his/her name on it. We are not responsible for any items lost or destroyed. Please do not bring tennis balls or any toy of that size. They fit nicely down our septic drain and will clog it right up.
- We require 24 hours notice for **cancellation** of non-holiday reservations and 72 hours notice of cancellation for holiday reservations. Thanksgiving, Christmas, and New Years reservations require 7 days notice. The fee for canceling without proper notice is \$50 or half the amount of the nights reserved, whichever is less.

DAY CARE DOGS:

- You may drop your dog off anytime after 7:30 am (M-F) and 10:00am (Sat). Dogs **MUST** be picked up before 6:00pm (M-F) and 2:00pm (Sat.).
- Day care is **ALWAYS** weather permitting.
 - ❖ If it has or is going to rain, hail, sleet, or snow, or if the temperature will be 100° or higher, please do **NOT** bring your dog for day care. We have limited space in the kennel and dogs with boarding reservations have first priority to runs. Any dog brought on non-daycare days will be charged regular **BOARDING** rates.
 - ❖ If it is questionable as to whether we're having daycare we have a mailbox in our message system that will let you know whether we're having daycare. Just call 251-7600 and press 1 when the main message starts.
